

Waltham, Massachusetts

Resolution

Providing Public Wi-Fi in Waltham

May 11, 2020

WHEREAS... Access to the internet is becoming increasingly important for citizens in all aspects of life, including education, trade, transportation and work, and

WHEREAS... Public Wi-Fi will increase educational opportunities for all residents and school children, and

WHEREAS... Public Wi-Fi will encourage economic growth in Waltham, and

WHEREAS... The recent COVID-19 crisis has focused attention on the need for public Wi-Fi;

NOW, THEREFORE, BE IT RESOLVED... that the City Council investigate providing public Wi-Fi access throughout the City of Waltham.
